AN ACT

Amending the act of June 13, 1967 (P.L.31, No.21), entitled "An act to consolidate, editorially revise, and codify the public welfare laws of the Commonwealth," in public assistance, further providing for medical assistance payments for institutional care and for medical assistance benefit packages, coverage, copayments, premiums and rates; in children and youth, further providing for payments to counties for services to children and providing for provider submissions; in intermediate care facilities assessments, further providing for time periods and making editorial changes; in hospital assessments, further providing for authorization and for time period; in statewide quality care assessment, reenacting and further defining "net inpatient revenue" and further providing for implementation, for administration, for limitations and for expiration; in Pennsylvania trauma systems stabilization, further providing for funding; in kinship care, further providing for scope and for definitions and providing for family finding; and, in human services block grant pilot program, further providing for establishment of human services block grant pilot program, for powers and duties of counties, for allocation and for use of block grant funds.

The General Assembly finds and declares as follows:

(1) It is the purpose of this act to provide fiscal and administrative support that promotes the health, safety and welfare of the citizens of this Commonwealth.

(2) Pennsylvania, through the Department of Public Welfare and the counties, provides a broad array of health care and other human services to low-income families, children and youth, those with intellectual and physical disabilities and the elderly.

(3) Section 24 of Article III of the Constitution of Pennsylvania requires the General Assembly to adopt all appropriations for the operation of government in this Commonwealth. The Supreme Court has repeatedly affirmed that, "It is fundamental within Pennsylvania's tripartite system that the General Assembly enacts the legislation establishing those programs which the State provides for its citizens and appropriates the funds necessary for their operation."

(4) Section 11 of Article III of the Constitution of Pennsylvania requires the adoption of a general appropriation bill that embraces "nothing but appropriations." While actual appropriation can be contained in a general appropriations act, the achievement and implementation of a comprehensive budget involves much more than appropriations. Ultimately, the budget has to be balanced under Section 13 of Article VIII of the Constitution of Pennsylvania. This may necessitate changes to sources of funding and enactment of statutes to achieve full compliance with these constitutional provisions.

(5) Therefore, it is the intent of the General Assembly through this act to provide further implementation of the General Appropriation Act of 2013, as it affects the operations and funding for the delivery of health care and human services that protect our most vulnerable and needy citizens.

(6) This act shall accomplish all of the following:
(i) Provide for the expansion of the Human Services
Block Grant Pilot Program.
(ii) Extend the authority for State and local
assessments that support hospitals and intermediate care
facilities for persons with an intellectual disability that
serve persons in the medical assistance program.
(iii) Provide for separate medical assistance fee-for-
service payments for normal newborn care and for mothers' obstetrical delivery.
(iv) Reauthorize the nursing facility revenue
adjustment neutrality factor to provide continued payments
for nursing facilities that serve persons in the medical assistance program.
(v) Provide for quarterly medical assistance day-one
incentive payments to qualified nonpublic nursing facilities.
(vi) Provide for publication of a premium schedule for
families with children with special needs, who receive
benefits under the medical assistance program.
(vii) Establish a process to assure that the revenue
of the Commonwealth is timely disbursed and expended
properly for the delivery of public child welfare services.
(viii) Reauthorize the reallocation of excess funds
for payment to qualifying hospitals accredited or seeking
accreditation as Level III trauma centers.

The General Assembly of the Commonwealth of Pennsylvania hereby
enacts as follows:

Section 1. Section 443.1(1.1)(i), (1.4) and (7)(iv) of the act
of June 13, 1967 (P.L.31, No.21), known as the Public Welfare
Code, amended or added June 30, 2011 (P.L.89, No.22), are amended,
paragraph (7) is amended by adding a subparagraph and the section
is amended by adding a paragraph to read:

Section 443.1. Medical Assistance Payments for Institutional Care.--The following medical assistance payments shall be made on
behalf of eligible persons whose institutional care is prescribed by physicians:

* * *
(1.1) Subject to section 813-G, for inpatient acute care
hospital services provided during a fiscal year in which an
assessment is imposed under Article VIII-G, payments under the
medical assistance fee-for-service program shall be determined in
accordance with the department's regulations, except as follows:
   (i) If the Commonwealth's approved Title XIX State Plan for
   inpatient hospital services in effect for the period of July 1,
   2010, through June 30, [2013] 2016, specifies a methodology for
calculating payments that is different from the department's
regulations or authorizes additional payments not specified in the
department's regulations, such as inpatient disproportionate share
payments and direct medical education payments, the department
shall follow the methodology or make the additional payments as
specified in the approved Title XIX State Plan.
* * *
(1.4) Subject to section 813-G, for inpatient hospital
services provided under the physical health medical assistance
managed care program during State fiscal [year] years 2012-2013,
2013-2014, 2014-2015 and 2015-2016, the following shall apply:
   (A) The department may adjust its capitation payments to
   medical assistance managed care organizations to provide
   additional funds for inpatient hospital services.
   (B) For an out-of-network inpatient discharge of a recipient
   enrolled in a medical assistance managed care organization that
   occurs in State fiscal year 2012-2013, 2013-2014, 2014-2015 or
   2015-2016, the medical assistance managed care organization shall
pay, and the hospital shall accept as payment in full, the amount that the department's fee-for-service program would have paid for the discharge if the recipient was enrolled in the department's fee-for-service program.

(C) Nothing in this paragraph shall prohibit an inpatient acute care hospital and a medical assistance managed care organization from executing a new participation agreement or amending an existing participation agreement on or after July 1, 2013.

* * *

(1.6) Notwithstanding any other provision of law or departmental regulation to the contrary, the department shall make separate fee-for-service APR/DRG payments for medically necessary inpatient acute care general hospital services provided for normal newborn care and for mothers' obstetrical delivery.

* * *

(7) After June 30, 2007, payments to county and nonpublic nursing facilities enrolled in the medical assistance program as providers of nursing facility services shall be determined in accordance with the methodologies for establishing payment rates for county and nonpublic nursing facilities specified in the department's regulations and the Commonwealth's approved Title XIX State Plan for nursing facility services in effect after June 30, 2007. The following shall apply:

* * *

(iv) Subject to Federal approval of such amendments as may be necessary to the Commonwealth's approved Title XIX State Plan, for each fiscal year beginning on or after July 1, 2011, the department shall apply a revenue adjustment neutrality factor to county and nonpublic nursing facility payment rates so that the estimated Statewide day-weighted average payment rate in effect for that fiscal year is limited to the amount permitted by the funds appropriated by the General Appropriation Act for the fiscal year. The revenue adjustment neutrality factor shall remain in effect until the sooner of June 30, 2016, or the date on which a new rate-setting methodology for medical assistance nursing facility services which replaces the rate-setting methodology codified in 55 Pa. Code Chs. 1187 (relating to nursing facility services) and 1189 (relating to county nursing facility services) takes effect.

(v) Subject to Federal approval of such amendments as may be necessary to the Commonwealth's approved Title XIX State Plan, for fiscal year 2013-2014, the department shall make quarterly medical assistance day-one incentive payments to qualified nonpublic nursing facilities. The department shall determine the nonpublic nursing facilities that qualify for the quarterly medical assistance day-one incentive payments and calculate the payments using the total Pennsylvania medical assistance (PA MA) days and total resident days as reported by nonpublic nursing facilities under Article VIII-A. The department's determination and calculations under this subparagraph shall be based on the nursing facility assessment quarterly resident day reporting forms available on October 31, January 31, April 30 and July 31. The department shall not retroactively revise a medical assistance day-one incentive payment amount based on a nursing facility's late submission or revision of its report after these dates. The department, however, may recoup payments based on an audit of a nursing facility's report. The following shall apply:

A nonpublic nursing facility shall meet all of the following criteria to qualify for a medical assistance day-one incentive payment:

(I) The nursing facility shall have an overall occupancy rate of at least 85% during the resident day quarter. For purposes of determining a nursing facility's overall occupancy rate, a nursing facility's total resident days, as reported by the facility under Article VIII-A, shall be divided by the product of the facility's
licensed bed capacity, at the end of the quarter, multiplied by the number of calendar days in the quarter.

(II) The nursing facility shall have a medical assistance occupancy rate of at least 65% during the resident day quarter. For purposes of determining a nursing facility's medical assistance occupancy rate, the nursing facility's total PA MA days shall be divided by the nursing facility's total resident days, as reported by the facility under Article VIII-A.

(III) The nursing facility shall be a nonpublic nursing facility for a full resident day quarter prior to the applicable quarterly reporting due dates of October 31, January 31, April 30 and July 31.

(B) The department shall calculate a qualified nonpublic nursing facility's medical assistance day-one incentive quarterly payment as follows:

(I) The total funds appropriated for payments under this subparagraph shall be divided by four.

(II) To establish the quarterly per diem rate, the amount under subclause (I) shall be divided by the total PA MA days, as reported by all qualifying nonpublic nursing facilities under Article VIII-A.

(III) To determine a qualifying nonpublic nursing facility's quarterly medical assistance day-one incentive payment, the quarterly per diem rate shall be multiplied by a nonpublic nursing facility's total PA MA days, as reported by the facility under Article VIII-A.

(C) For fiscal year 2013-2014, the State funds available for the nonpublic nursing facility medical assistance day-one incentive payments shall equal eight million dollars ($8,000,000).

Notification pursuant to this subsection may be made in writing or electronically at the discretion of the department.

(a.1) Calculation of assessment with changes of ownership.--

(1) If a single covered hospital changes ownership or control, the department will continue to calculate the assessment amount using the hospital's net inpatient revenue for State fiscal year [2008-2009] 2010-2011 or for the most recent State fiscal year, or part thereof, if the State fiscal year [2008-2009] 2010-2011 amounts are not available. The covered hospital is liable for any outstanding assessment amounts, including outstanding amounts related to periods prior to the change of ownership or control.

(2) If two or more hospitals merge or consolidate into a single covered hospital as a result of a change in ownership or control, the department will calculate the covered hospital assessment amount using the combined net inpatient revenue for State fiscal year [2008-2009] 2010-2011 or for the most recent State fiscal year, or part thereof, if the State fiscal year [2008-2009] 2010-2011 amounts are not available, of any covered hospitals that were merged or consolidated into the single covered hospital. (2) Any outstanding assessment amounts related to periods prior to the closure or change in operation.

(a.3) Calculation of assessment for new hospitals.--A hospital that begins operation as a covered hospital during a fiscal year in which an assessment is in effect shall be assessed as follows:

(1) During the State fiscal year in which a covered hospital begins operation or in which a hospital becomes a covered hospital, the covered hospital is not subject to the assessment.

(2) For the State fiscal year following the State fiscal year under paragraph (1), the department shall calculate the hospital's assessment amount using the net inpatient revenue from the State fiscal year in which the covered hospital began operation or became a covered hospital.

No covered hospital shall be directly guaranteed a repayment of its assessment in derogation of 42 CFR 433.68(f) (relating to permissible health care-related taxes), except that, in each fiscal year in which an assessment is implemented, the department shall use the funds received under this article for the purposes outlined under section 805-G to the extent permissible under Federal and State law or regulation and without creating an indirect guarantee to hold harmless, as those terms are used under 42 CFR 433.68(f)(i). The secretary shall submit to the United States Department of Health and Human Services any State Medicaid plan amendments that are necessary to make the payments authorized under section 805-G.

Section 807-G. Federal waiver.

To the extent necessary in order to implement this article, the department shall seek a waiver under 42 CFR 433.68(e) (relating to permissible health care-related taxes) from the Centers for Medicare and Medicaid Services of the United States Department of Health and Human Services. The department shall not implement the assessment until approval of the waiver is obtained. Upon approval of the waiver, the assessment shall be implemented retroactive to the first day of the fiscal year to which the waiver applies.

(a) General rule.--Notwithstanding any exemptions granted by any other Federal, State or local tax or other law, no covered hospital other than an exempt hospital shall be exempt from the assessment.

(b) Interpretation.--The assessment imposed under this article shall be recognized by the Commonwealth as uncompensated goods and services under the act of November 26, 1997 (P.L.508, No.55), known as the Institutions of Purely Public Charity Act, and shall be considered a community benefit for purposes of any required or voluntary community benefit report filed or prepared by a covered hospital.

Section 809-G. Remedies.

In addition to any other remedy provided by law, the department may enforce this article by imposing one or more of the following remedies:

(1) When a covered hospital fails to pay an assessment or penalty in the amount or on the date required by this article, the department shall add interest at the rate provided in section 806 of the act of April 9, 1929 (P.L.343, No.176), known as The Fiscal Code, to the unpaid amount of the
assessment or penalty from the date prescribed for its payment until the date it is paid.

(2) When a covered hospital fails to file a report or to furnish records to the department as required by this article, the department shall impose a penalty against the covered hospital in the amount of $1,000, plus an additional amount of $200 per day for each additional day that the failure to file the report or furnish the records continues.

(3) When a covered hospital that is a medical assistance provider, or that is related through common ownership or control as defined in 42 CFR 413.17(b) (relating to cost to related organizations) to a medical assistance provider, fails to pay all or part of an assessment or penalty within 60 days of the date that payment is due, the department may deduct the unpaid assessment or penalty and any interest owed thereon from any medical assistance payments due to the covered hospital or to any related medical assistance provider until the full amount is recovered. Any such deduction shall be made only after written notice to the covered hospital and medical assistance provider and may be taken in installments over a period of time, taking into account the financial condition of the medical assistance provider.

(4) Within 60 days after the end of each calendar quarter, the department shall notify the Department of Health of any covered hospital that has assessment, penalty or interest amounts that have remained unpaid for 90 days or more. The Department of Health shall not renew the license of any such covered hospital until the department notifies the Department of Health that the covered hospital has paid the outstanding amount in its entirety or that the department has agreed to permit the covered hospital to repay the outstanding amount in installments and that, to date, the covered hospital has paid the installments in the amount and by the date required by the department.

(5) The secretary may waive all or part of the interest or penalties assessed against a covered hospital pursuant to this article for good cause as shown by the covered hospital.

Section 810-G. Request for review.

A covered hospital that is aggrieved by a determination of the department as to the amount of the assessment due from the covered hospital or a remedy imposed pursuant to section 809-G may file a request for review of the decision of the department by the Bureau of Hearings and Appeals, which shall have exclusive jurisdiction in such matters. The procedures and requirements of 67 Pa.C.S. Ch. 11 (relating to medical assistance hearings and appeals) shall apply to requests for review filed pursuant to this section except that in any such request for review, a covered hospital may not challenge an assessment percentage determined by the secretary pursuant to section 803-G(b) but only whether the department correctly determined the assessment amount due from the covered hospital using the assessment percentage in effect for the fiscal year. A notice of review filed pursuant to this section shall not operate as a stay of the covered hospital's obligation to pay the assessment amount due for a fiscal year as specified in section 804-G(b).

Section 811-G. Liens.
